# KERALA AYURVEDIC STUDIES & RESEARCH SOCIETY,KOTTAKKAL

## Notice inviting Tenders for Works

**Name of work:** Renovation of Ladies Hostel Sports Room in VPSV Ayurveda College , Kottakkal

Locality :-Kottakkal

Last date of tender :-29/07/2020

Executive Director /Chief executive officer

1 ( a) Tenders are invited for and on behalf of the society only from registered Class C and above bidders approved by P.W.D for the work

---

(b) The tender document(s), may be downloaded free of cost from the society website ([www.kottakkalayurvedacollege.ac.in](http://www.kottakkalayurvedacollege.ac.in)). No payment is required for downloading the tender documents from the above website however a bid submission fee, as mentioned below in this document, is required to be submitted along with the bid.

(c) Only those bidders having a valid and active registration, on the date of bid submission, shall submit bids within the stipulated time. All bids sealed and endorsed as such with the name of work clearly written there on should be delivered at the office of the Chief Executive Officer / Executive Director , Kerala Ayurvedic Studies and Research Society, Kottakkal , as per the type of tender.

(d) The Society system shall not allow submission of bids after the stipulated date & time. The bidder is advised to submit the bids well before the stipulated date & time to avoid any kind of issues such as , traffic congestion, etc. In this regard, the department shall not be responsible for any kind of such issues faced by bidder .

(d) Ineligible bidders or bidders who do not possess valid & active registration, on the date of bid submission, are strictly advised to refrain themselves from participating in this tender. If such instances are noticed, the same shall be treated as “fake bidding” by the respective bidder and such bidder shall be blacklisted as per departmental rules in force.

(e) Mention of price details at any place other than the designated place, shall disqualify the bidder and the bid shall be summarily rejected.

2. The items and sub-heads of works to be done are enumerated in the subjoined schedule. Unless otherwise specified, the tender must be for the whole or any individual work and part tenders are liable to rejection. A bidder may tender for more than one work with the earnest money deposit specified in each case, but shall not tender for any part of a work, unless specifically so required.

3. All works shall be done in conformity with the specifications and conditions of contract in force in the P. W. D. In case of schedule rate contract, bidders must quote their own rates specifically for each item without reference to the departmental estimates or the current schedule of rates and for percentage rate contract only a single rate as an overall percentage above or below or at the rate given in the schedule by a single entry at the space provided in the schedule under, the head quoted rate may be made. The rates quoted shall be inclusive ones; covering all the operations contemplated in the specifications and tender

schedules and all incidental work necessary for such operations such as shoring, bailing out work, scaffolding, etc. The rates quoted shall be inclusive of all taxes applicable.

(a) When tenders are submitted based on bidder's alternate designs such tenders should be accompanied by a schedule of quantities of materials to be used for each item of work with complete detailed specifications and data as a separate attachment at the designated place while submitting the bids online. In such cases the benefit of any savings in the quantities of materials actually used up under each item of work during execution will accrue to the department.

(b) The overall percentage rates accepted and specified in the agreement shall not be varied on any account whatsoever.

(c) The bidders who quoted below estimate rate will remit performance guarantee with a view to curb the tendency to quote low rates and execute the works unsatisfactorily.

c.i) If the quoted PAC differ estimate PAC by more than 25%, the bid will be rejected.

c.ii) If the quoted PAC differ estimate PAC up to 25%, the bidder will remit performance guarantee equal to the unbalanced price in the estimate P.A.C and quoted P.A.C. This will be released only after satisfactory completion of the work.

c.iii) No interest, in any circumstances, shall be payable by the department to the bidder for the EMD/ security deposit/ performance guarantee furnished.

.The bids will be opened at the office of the tender inviting authority on 30/07/2020\_at 3.PM by Executive Director/Chief Executive officer in the presence of those bidders or their authorised agents who wish to be present. In case it is not possible to open the tenders on the specified date due to any valid reason the revised time and date of opening of tenders will be published on Society website. The bidders shall check the Society website regularly for such updates.

The total amount of each tender will be read out. There is no provision for correction of bids once submitted online. However, multiple bids can be submitted by the bidder, in case of corrections, till the last date & time of bid submission and the most recent/ latest bid submitted before the stipulated date & time of bid submission shall only be considered by Society for further processing. Details of individual rates will be treated as confidential and will not be read out.

- (ii) Bidders shall remit the tender document fees and EMD using DD. Bidders are advised to visit the “Downloads” section of college website [www.kottakkalayurvedacollege.ac.in](http://www.kottakkalayurvedacollege.ac.in), [www.kasrs.org](http://www.kasrs.org), for detailed instructions

(iii) The bidder shall mandatory enclose an attested copy of his/ her valid and active Registration Certificate to the Tender Inviting Authority in an envelope. The bidder shall get the Registration Certificate attested only from any of the Superintending Engineers/ Executive Engineers of PWD, Kerala. The envelope, containing attested copy of the valid and active Registration Certificate, preliminary agreement should reach the department on or before the bid opening date & time, failing which, the bid is liable to be rejected. The department shall not be responsible for any postal service delay or any other delay.

Bidders, who have secured exemption from individual EMD payments, need not do this except when special Earnest money is asked to be deposited. Such EMD exemption certificate/ document needs to be scanned and submitted online along with the bid, failing which, the bid shall be rejected summarily. The original EMD exemption document may have to be produced, if required, failing which, the bid shall be rejected summarily.

5. Selected bidder will be required to produce income-tax and GST registration certificates before final payment is made for the work, and before security deposits released.

6. In the case of proprietary or partnership firm, it will be necessary to submit online the scanned copy of the certificates aforementioned for the proprietor or proprietors and for each of the partners as the case may be.

All bids received without the scanned copy of certificates mentioned at point 6 & 7 above will be summarily rejected.

7. The bidder shall examine closely the Madras Detailed Standard Specifications, CPWD specification, IRC specification, MoRTH specification, and also the standard preliminary specifications contained there in which is available for viewing on the Society website before submitting his tender unit rates which shall be for finished work in site. He shall also carefully study the drawings and additional specifications and all the documents which form part of the agreement to be entered in to by the accepted bidder. The documents connected with the contract such as specifications, plans descriptive specification sheet regarding materials etc., can also be seen during the office days & hours in the Office of the Executive Director/Chief executive officer, Kerala ayurvedic studies and research society, Kottakkal

8. The bidder will examine the site condition and satisfy themselves of the availability of materials at near by places, difficulties which may arise during execution etc before submitting tender for the work.

9. The bidder's attention is directed to the requirements for materials under the clause "Materials and workmanship" in the Preliminary Specification. Materials conform to the Indian Standard Specification shall be used on the work, and the bidder shall quote his rate accordingly.

10. Every bidder is expected before quoting his rate to inspect the site of the proposed work. He should also inspect the quarries and satisfy himself about the quality and availability of materials. The names of quarries, kilns, etc. where from certain materials are to be obtained will be given in the descriptive specification sheet. The best class of materials to be obtained from the quarries or other source defined shall be used on the work. In every case the materials must comply with the relevant standard specification. Samples of materials as called for in the standard specification or in this tender notice, or as required by the Society in any case, shall be submitted for the Super checking officer approval before the supply to site of work is begun. If the bidder after examination of the source of materials defined in the Descriptive Specification sheet is of opinion that materials complying with

the standard or other specification of the contract cannot, be obtained in the Descriptive specification sheet he shall so state clearly in his tender and state where from he intends to obtain the materials subject to the approval of the Society. The Society will not, however after acceptance of contract rate pay any extra charges for lead or for any other reasons, in case the bidder is found later on to have misjudged the materials available. Attention of the bidder is directed to the standard "Preliminary specification regarding payment of seigniorage, tolls etc.

*Note:-* The department does not undertake to construct or make available any approach road or other means of approach to the proposed work site and the bidder shall get acquainted with the available means of approaches to the proposed site and quote for the various items. The Department shall not be liable for any claim raised later on the plea of nonavailability or non-access to the site.

11. The bidder's particular attention is drawn to the sections and clauses in the standard 'Preliminary Specification' dealing with

- (1) Test, inspection and rejection of defective material and work
- (2) Carriage
- (3) Construction plant
- (4) Water and Lighting
- (5) Cleaning up during progress and for delivery
- (6) Accidents
- (7) Delays
- (8) Particulars of payment

The bidder should closely peruse all the specification clauses which govern the rates which he is tendering.

12. In consideration of the bidder being allowed to quote for the work, he should keep the tender firm for a period of 3 months from the date of opening the tender during which period or till the tenders are decided whichever is earlier, he will not be free to withdraw the tender. **Any such withdrawal will entail forfeiture of the earnest money deposited for the work.**

Due to departmental or administrative reasons if it is found necessary to keep the tender open for a further period, prior consent of the bidder shall be obtained in writing for every further period of one month.

13. Before commencing work or within a week after the date when the acceptance of the tender has been Intimated to him, the bidder shall deposit a sum sufficient to make up the balance amount which together with the amount of earnest money deposited shall be treated as security for the proper fulfillment of the same and shall execute an agreement for the work in the P.W. Schedule Form. If he fails to do this or in the case of P.W. contracts maintain a specified rate of progress (to be specified in each case in the tender schedule) the earnest money and security deposit shall be forfeited to Society and fresh tenders shall be called for or the matter otherwise disposed off. If as a result of such measures due to the default, of the bidder to pay the requisite deposit, sign contracts or take possession of the work any loss to Society results, the same will be recovered from him as arrears of revenue, but should it be a saving to Society, the original bidder shall have no claim whatever to the difference. Recoveries on this or any other account will be made from the sum that may be due to the bidder on this or any other subsisting contracts or under the Revenue Recovery Act, otherwise the Society may decide.

14. Acceptance of the tender rests with the Tender Inviting Authority who does not undertake to accept the lowest or any particular tender.

15. The right to carry out the work in conformity with or in a manner entirely different from the terms of this invitation that may be considered most suitable before or subsequent to the receipt of tenders due to exigencies of work, is reserved with the department.

16. Schedule of quantities, specifications of work to be done and conditions of contract to be entered into can be seen on the Society web site. It shall be definitely understood that the Society does not accept any responsibility for the correctness or completeness of the schedule, that the schedule is liable to alteration by omissions, deductions or additions at the discretion of the competent departmental officer or as set forth in the conditions of contract. The bidder will however base this tender amount in the case of lump sum tender on the basis of those quantities, etc.

17. Tender forms and general specifications can be downloaded free of cost from Society website. Tenders not submitted in such prescribed online format or submitted incomplete in any respect whatever such as unattested errors and corrections in rates, quantities, units or amounts (figures not expressed in words), totals of contract not entered, etc, shall be summarily rejected.

18. The earnest money deposit of the unsuccessful bidders will be refunded immediately after tabulating tenders, keeping only the earnest money of the first 2 lowest tenders via

electronic media. The Earnest Money Deposit of the remaining unsuccessful bidders will also be refunded within a week from the date of acceptance of the tender via electronic media.

19. Solicitors fee, if any, to be paid to the Law Officers of Society for scrutinising or drawing up of agreements- will be paid and the same recovered from the successful bidder

20. In case of any additional remarks the bidders must attach/upload a PDF file along with online bid. If they are prepared to carry out at their tendered rates such portion or portions of the work as may finally be allotted to them by the Officer deciding tenders.

*Note:-*The Society reserves the right to allot such portion of the work included in the tender at the rates quoted by the bidder in the absence of specific noting by the bidder to the contrary against clause 4 on page 5 of tender (G W. D-Form 84). Such allotment shall not vitiate the acceptance and the bidder shall indemnify Society against any loss to Society, due to failure on the part of the bidder to carry out such portion of the work allotted to him at the rates quoted by him.

20. (a) The successful bidder will have to carry out 25 percent more of the estimated quantity of every item at his agreed rates.

The Contract is bound to carry out sinking of wells increase up to 10 meter (ten meter) extra depth beyond the estimated design depth and rate for which shall be paid as per schedule of rate and extra item conditions. In case of pile foundation, precast or cast in site, in the same conditions as above shall apply.

21. Any further information necessary can be obtained at the office of the tender inviting authority on all working days during office hours.

22. **The work should be completed in all respects** 3 months either from the date of handling over the site or from 10<sup>th</sup> day of agreement whichever is earlier.

Executing agreement for the works will be made within the time limit prescribed as follows:

1. The time limit allowed for executing the agreement without fine will be 14 days (Fourteen days) from the date of acceptance of tender. Acceptance of tender rests with Technical Sanction authority.

2. Further time of 10 days will be allowed to execute an agreement by realizing fine of 1% of the P.A.C subject to a minimum of Rs.1000 (Thousand Only) and maximum of Rs.25,000 (Twenty Thousand Only).

3. Tenders will be rejected, if agreement is not executed within 24 days and work will be awarded to the next lowest bidder, as per rules.

4. The bidder will take over the charge of the site within 10 days after executing agreement and commence the work.

23. Payment on lump sum basis or by final measurement at unit prices:

(a) Final measurements need not be taken unless either the bidder or the Society claims extras to or deductions from the quantities of Schedule A.

(b) In case final measurements are claimed, they shall be taken only for those items for which either the bidder or the Super checking officer claims final measurements and the quantities of the remaining items in Schedule A shall be accepted as correct. The lump sum amount mentioned in the agreement will then be varied by addition there to or deducting there from as the case may be the difference (if any), between the amounts mentioned in Schedule A for such items and the amounts arrived at by calculation at Contract rates based on the revised quantities for the same obtained by the final measurement aforesaid.

*Amendment:* When payment on earth work exceeding 300 M<sup>3</sup> are made based on the tape measurements, the bidder shall give a declaration in writing to the effect that he agree for the recovery of the over payment, if any, from the next bill.

(c) It shall be accepted as a condition of the contract that the payment of the final bill to the bidder less the withheld amount and his acceptance there of shall constitute a full and absolute release of Society from all further claims by the bidder under the contract.

(d) Payment for additions and deductions for omissions.

No authorized variation shall vitiate the contract but additions and omissions shall be measured and dealt with in accordance with clause 23 (b).

(e) Items of work not expressly or impliedly described in the schedule, plans or specifications will be treated as 'extras'. They will include only items of works which through highly necessary for the proper execution of the work and for its completion, were not provided for in the original contract.

(e.1) The execution of an extra item of work and payment-therefore will be based on the following conditions:-

(i) There shall be an order in writing to execute the extra item of work duly signed by the construction engineer of the society before its commencement.

(ii) If the bidder finds, after examining the specifications and plans that extras are involved, he should give notice to the Engineer to this effect and shall proceed with the execution of the extra item only after receiving instructions in writing from Engineer.

(e.2) Extra items may be classified as additional substituted or altered items, depending, on their relation or otherwise to the original item or items of work.

(e.3) The rates extra shall be worked out as below

(e.3.i) In the case of all extra items whether additional altered or substituted, if accepted rates for identical items provided for in the contract such rates shall be applicable.

(e.3.ii) In the case of extra items whether altered or substituted, for which similar items exists in the contract, the rates shall be derived from the original item by appropriate adjustment of cost of affected components. The percentage excess or deduction of the contract rate the original item with reference to the departmental estimated rate shall be applied in deriving the rates for such items.

(e.3.iii) In the case of extra items. Whether altered or substituted and for which similar items do not exist in the contract and rates exists in the schedule of rates, the rates shall be arrived at on the basis of the departmental data rate as per agreed Schedule of Rates. Tender excess, if any, will not be applied.

(e.3.iv) In the case additional items, the rates shall be arrived at on the basis of the departmental data rates as per the agreed DSR, after applying the tender deduction except, on the cost of departmental material. Tender excess, if any, will not be applied.

(e.3.v) In the case of extra items whether additional altered or substituted, for which the rates cannot be derived from similar items in the contract, and only partly from the departmental schedule of rates the rates for such part or parts of items as are not covered in the schedule of rates shall be determined by the Engineer on the basis of the prevailing market rates giving due consideration to the analysis of the rate furnished by the bidder with supporting documents, including bidder's profit. This shall be added on to the departmental rate (including bidder's profit) current at the time of ordering or executing the extra item, whichever is earlier for the other part the item for which rates can be derived from the schedule of rates.

(e.3.vi) In the case of extra item whether additional, altered or substituted, for which the rates cannot be derived either from- similar item of work in the contract or from the departmental schedule of rates, the bidder shall within 14 days of the receipt of the order to carry out the said extra item of work. Communicate to the Engineer the rate which he proposes to claim for the item, supported by analysis of the rate claimed and the Society shall within one month thereafter determine the rate on the basis of the market rate giving consideration to the rate claimed by the bidder.

(e.3.vii) In the case of percentage rate contract, the rate for extra item shall be arrived at by applying the percentage excess or deduction to the departmental data rate as per the original schedule on which the tenders were invited.

(e.4) Wherever the term "Departmental data rate" appears, it shall mean the rate derived from the Departmental schedule of rate and shall include conveyance charges and bidder's profit.

(f) In cases in which the bidder has extra items not contemplated in the agreement but the rates of which require sanction of higher authorities may in such case, sanction advance up to an amount not exceeding 75 per cent of the amount for the items at the rate worked out and certified by the Engineer. The Engineer shall in all such cases promptly record all authorised extra items executed by the bidder including detailed measurements and quantities thereof in the Measurement Book. He shall neither enter any rate for the same in the Measurement Book nor include such extra items in the body of the bill. When the bill is received in the Sub Division, the Society shall prepare a separate statement for those extra items showing the items executed, quantity of each item, rate for each item worked out by him based on agreement, conditions and amount for each item in the basis of the rate worked out by him. He shall also furnish a certificate to the effect that he has personally examined all the extra items and they are bonafide the amount payable for these items will not be less than Rs \_\_\_\_\_

(amount to be specified) and that there is no objection in paying 75 per cent of this amount as a secured advance. On receipt of the bill with the above statement and certificate may make payment not exceeding the amount recommended by the Engineer as a lump sum secured for works done but not billed for.

24. Arbitration shall not be a means of settlement of any dispute or claim out of this contract. All disputes and differences arising out of the contract may be executed in pursuance of the

modification shall be settled only by the Civil Court in whose jurisdiction the work covered by the contract is situated, or in whose jurisdiction the contract was entered into in case the work extended to the jurisdiction of more than one court.

25. The bidder shall not without the previous sanction in writing of the authority accepting the tender execute any power of attorney in respect of any matter, touching this contract, and any such power of attorney executed without such sanction shall not be recognised by or be binding upon Society. It shall be entirely with in the discretion of the authority accepting the tender either to grant such sanction or to refuse it or to revoke a sanction once given.

26. No part of the contract shall be sublet without written permission of the Society nor shall transfer be made by power of attorney authorise other to receive payment on the bidders behalf.

27. The tender inviting authority or other sanctioning authority reserves the right to reject any tender or all the tenders without asking any reason there for.

**28. They will also establish laboratory facilities for testing the quality of the materials at their cost.**

The quality of materials used by the bidders should be ensured by the Society and testing of the materials wherever necessary will be done by the bidder at his cost.

29. The materials available if issued to the bidder will be recovered at book value on issue rate plus 20 per cent supervision charge or market value or data rate whichever is higher. The fixing of market rate will be governed as per clause 33.

30. The bidder will be exempted from payment of seigniorage for rubble and metal quarried from P.W.D. quarries exclusively for P.W.D. work. If the P.W.D. quarries are not situated within a convenient distance from the site of the work the bidder's quoted rates shall be inclusive of seigniorage, ground rent, etc, that may be payable to the owners of private quarries.

31. In making payment the total amount of the bill will be rounded off correct to the nearest rupee if the amount is above Rs. 25 and to the nearest paisa if amount is below Rs 25.

32. (a) When power rollers (which term includes steam and diesel rollers) are hired out to bidders hire charges for the rollers (which include cost of lubricating oils, grease, small stores and establishment charges but exclude cost of fuel), shall be recovered at the rate

specified in the tender schedule per day of eight hours for the full period the roller is hired to the bidder, including non-working days, except for authenticated periods of break down of the roller for the roller for the full working hours of a day, that is 8 hours from 8 a.m. to 5 p.m. (including one hour interval for lunch) and for Sunday and other Public holidays if there is no work on these days.

The daily rate of hire fixed by the Chief Engineer shall be for a day of 8 hours or part thereof between 8 a.m. to 5 p.m. with one hour interval for lunch.

(b) If there is work on Sundays and other Public holidays the hire charges for the rollers shall be recovered at the rate of 1.20 times the rate of normal working days-

(c) When power rollers, are worked on any day in excess of eight hours (that is outside the normal working day between 8 a.m. and 5 p.m.) hire at the rate of 1.20 times the hourly rate applicable for that day ("based on the rate for 8 hours,) shall be levied for every extra hour or part thereof-

(d) The average out-turn expected from a power roller for a day of 8 hours shall be fixed by the Society for the various items of road work. A variation of plus or minus 12% per cent may be allowed to this average. If the daily out-turn from the roller falls outside the permissible variations, the bidder shall be charged at one and a half times the rate of normal hire for the day specified for the roller concerned.

However this clause shall not be applicable in cases where the variation is due to authenticated periods of break-down of the roller or inclement weather.

32A. In addition, to the hire charges, necessary water, split fire wood, diesel oil (fuel oil) or power, as the case may be required for the efficient working of the power roller, shall be supplied by the bidder at his cost,

32 (B) Departmental Road Roller shall only be used for the works. bidders will be permitted to use road rollers from other sources only in case where a departmental road roller in working condition is not available to be hired out therein.

32 (C) When the departmental hot mixing plants are hired out to be contracts hire charges (which include cost of lubricating oils, gross small stores and Establishment charges but exclude cost of fuel) shall be recovered as specified in the tender schedule per day of eight hours for the full period of the plant hired to the bidders including non-working days except the authenticated period of break down of the plant for the full working hours of the days i.e.,

8 hours from 8 am to 5 pm (including one hour interval for lunch) and for Sunday and other public holidays if there is no work in these days.

32 (D) When departmental road roller and sprayer are hired out to the bidder, hire charges which include cost of lubricating grease, small stores and Establishment charges but exclude cost of fuel) shall be recovered as specified in the tender schedule per day for roller and for sprayer of eight hours for the full period of the plant hired to the bidders including non-working days except the authenticated period of breakdown of the plant for the full working hours of the days ie., 8 hours from 8 am (including one hour interval for lunch) and for Sunday and other public holidays if there is no work in these days.

*The bidder will arrange the road roller by himself.*

33. The bidder has to quote for the specification and unit noted in the schedule. All suggestions, remarks, corrections and insertions are only to be made only in the "Remarks" page/ section of the online bid. Any revision / correction in price

shall be made only by way of submitting another bid, complete in all aspects as stated in this tender, on or before the stipulated date & time of bid submission.

5. The contractor has to quote for the specification and unit noted in the schedule. No correction of specification unit or quantity is admissible and if they make any correction in the specification, etc., the same will be rejected.

6. The scanned copy of following documents shall be submitted along with the online bid in cover specified:

**6.a). Copy of bidder's Registration Certificate attested by Superintending/Executive Engineer in PWD**

**6.b). Preliminary Agreement on a Rs. 200/- stamp paper. Stamp paper charges to be borne by the bidder himself.**

**6.c). e-payment form duly filled**

7. The bidder should submit the declaration in the form attached.

8. The bidder is bound to carry out items of works which are not expressly or impliedly described in the tender schedule plans, specifications and agreement but which are found necessary for the proper completion of the work during execution, the work during execution. payment for such extra items will be made on the basis of extra item conditions vide clause 23 (c) of form No GWD 83.

9. For LS items the bidder will be paid only for the actual quantity of work done or materials supplied and labour engaged at agreed rates for such items and as per condition No.10 above for extra item but such payment will be limited to the lumpsum quoted by the bidder. If he fails to quote definite LS rates for such items the L S amount provided in the schedule will be operative in his case.

**10. Program chart of the work should be submitted with the bid.**

**11. The contractor should obtain and submit the approval certificate of electrification work from electrical Inspectorate.**

**12. The Contractor has to make his own arrangements for water and electricity required for the construction as well as to the use of his labourers. No extra claim towards this will be entertained by the Society.**

**As per G.O.(P)No.13/2012/PWD dated 01.02.2012 Bitumen required for the work shall be purchased by the bidder and complete the work.**

In order to have a uniform procedure, for preparing estimate the following direction are issued for strict compliances by all concerned .

The cost of bitumen may be taken, as Rs. \_\_\_\_\_ for 80/100 grade, Rs. \_\_\_\_\_ for 60/70 grade, Rs. \_\_\_\_\_ for NRMB, Rs. \_\_\_\_\_ for Bitumen Emulsion inclusive of Excise duty and Sales Tax, for packed bitumen for estimate purpose, bidders profit shall not be given on the cost of bitumen, conveyance can be allowed. If bulk bitumen is used in the actual execution of the work, savings on this account shall not be utilized for excess quantities / additional works etc. Bulk bitumen shall be used to the maximum extent.

The requisition for purchase shall be placed through the Executive Engineer, concerned.

The cost of bitumen is revised to Rs. \_\_\_\_\_ for 80/100 grade, Rs. \_\_\_\_\_ for 60/70 grade, Rs. \_\_\_\_\_ for NRMB, Rs. \_\_\_\_\_ for Bitumen Emulsion with effect from as per G.O.(Ms).No.

11. For materials issued for the work but not used and not returned to the store sales tax at the prevailing rates will be recovered in addition to the departmental recovery plus 20 per cent storage.
12. For cement and M. S. rods issued for the work but not used a penalty of Rs. \_\_\_\_\_ per 50 kilograms of cement and Rs. \_\_\_\_\_ Per kilogram of MS. Rods will be recovered in addition to the value, 20 per cent storage and sales tax.
13. It will be the responsibility of the bidder to obtain necessary land for stacking the materials for arranging the work.
14. Metal of the required sizes alone should be brought to the site of the work. Breaking boulders or rubble into metal will not be allowed either on or the side of the road. Metal should be stacked on one side of the road only and in such a way as not to

cause any hazards to traffic. The stacks should be formed as per the standards profile current in the department.

15. Granite stone metal supplied should be sound, hard tough and durable free from any decayed matter and of uniform colour and texture. Each piece should have sharp angular edges. The metal should not also contain any quarry dust or earth.

16. Silicious gravel shall consist of only hard nodules not more than 40mm. nor less than 6 mm. dia. in and direction scraped from the hill sides and free from admixture of earth or laterite chips.

17. Sand supplied should be clean, sharp and gritty to the touch, free from clay and other impurities and obtained from running water courses.

18. Variation in supply in each 200metre length exceeding 1 per cent from the approved indent will not ordinarily be allowed. But supplies above 1 percent over the stipulated quantity in the particular 200 metre length may be accepted at the discretion of

the Executive Engineer and in that case such will be paid at  $\frac{3}{4}$  of the agreed rate.

Similarly if supplies fall short by more than 1 per cent recovery for this deficiency will be made at  $\frac{1}{4}$  of the agreed rates. Excess supplies or deficiency in supplies over

\_\_\_\_\_percent however will be accepted only at the discretion of the Executive

Engineer subject to its being penalised at half of the agreed rates. The maximum penalty shall however be limited to 10 percent of the contract.

19. The bidder will have to make his own arrangements to convey the materials supplied by the department and for stacking, of materials and site shed, etc. , which are found necessary for the proper, execution of the work. He will also be responsible for the safe custody of the materials till, they are used on works.

20. The bidder should take out licence for storing gun powder and explosives required for rock blasting as per Explosive Act, 1940.

21. If the department undertake the supply of any materials, no claim for extra payment due to delay in supply of those materials will be entertained.

22. If materials other than those specified in the tender are issued by the department, recovery will be effected at data rate plus storage plus sales tax or at current market rates at the time, of issue whichever is higher.

23. Hire charges of tar boiler and sprays if supplied departmentally will be recovered as mentioned in the tender schedule per day for the whole period they are in the custody of the bidder.

24. Machinery like concrete mixer, pumpset, etc, if available will be supplied by the department as per rules and hire charges recovered from the bidder at the prevailing departmental rates. The bidder has to take the machinery from the store and return to the same spot at his cost and responsibility.

25. A day means 8 working hours for purpose of calculation of hire-charges of rollers, pumpsets and other machinery unless otherwise specified.

26. The bidder has to take, the roller from the \_\_\_\_\_  
and return it to the same spot at his own cost and responsibility.

27. (a) "when power roller (which term includes steam and diesel rollers) are hired out to bidders hire charges for the rollers (which include cost of lubricating oils grease, small stores and establishment charges but excludes cost of fuel) shall be recovered at the rate specified in the tender shcedule per day of eight hours or part there of, for the full period the roller is hired out to the bidder including non-working days, except, for authenticated periods of break down of the roller for the full working hours of a day (that

is 8 hours from 8 a. m. to 5 p. m including one hour interval for lunch}, and for Sundays and other public holidays, if there no work on these days" .

(a) The daily rate of hire fixed by the Chief Engineer shall be for a day of 8 hours or part there of between 8 am. and 5 p.m. with one hour's interval for lunch").

(b) "If there is work on Sundays and other public holidays the hire charges for the roller, shall be recovered at the rate of 1.20 times, the rate for normal working days”

28. (a) "When power rollers worked on any day, in excess of eight hours (that is outside the normal working days between 8 a m. to 5 p.m.) hire at the rate of 1.20 times the hourly rate applicable for that day (based on the rate for 8 hours) shall be levied for every extra hour or part there of".

(b) "The average out-turn expected a power roller for a day of 8 hours is as fixed by the Chief Engineer ,Administration. for the various items of road work. A variation of plus or minus 12 per cent may be allowed to this average. If the daily out-turn from the roller

1

falls outside the permissible variations, the bidder shall be charged at  $1\frac{1}{2}$  times the rate of normal hire for the day specified for the roller concerned. However this clause shall not be applicable in cases where variation is due to authenticated periods of break down of the roller or inclement weather".

(c) In addition to the hire charges necessary water, split firewood, diesel oil (fuel oil) or power as the case may be required for the efficient working of the roller, shall be supplied by the bidder".

29. If part payment is claimed for metal supply 20 percent of the supply will only be made in the part bill. The spreading and consolidation should be done within two months of supply.

30. The payment of the earth work items will be made as per level measurements or tape measurements as per rules prevailing in the department.

31. All items should be carried out as per the relevant specification in the M.D.S.S, MoRTH, CPWD or IRC and all clauses of preliminary-specification should be complied with.

32. The moulds, shuttering etc., required for the work should be made by the bidder and got approved by the departmental officers at site before use.

33. Tribes of the locality should be employed to the maximum extent possible. The bidder should pay fair wages to the labour engaged on the work which will be fixed by the Government as specified in G. O. 18-8597 / 55/LD.. dated 7th March 1955 with ammendments time to time and any dues to the labour will be recovered from his bill as fixed by the departmental officers.
34. The bidder alone is responsible for the safety of his labourers and damages, if any payable under "Workmen's Compensation Act" will be to his debit.
35. It shall be the contractor's responsibility to protect the public and his employees against accident from any cause during execution of the work and he shall indemnify the Government against any claims for injury to person or property resulting from any such, accident and he shall, were provisions of the Workman's Compensation Act apply take steps to properly insure against any claims there under.
36. The bidder shall be liable for any loss caused to the Government on account or the above work including any that may arise due to non-fulfillment of the contract. He should comply with the rules laid down in the Central P. W. D. Contract regulations regarding fair wages.
37. The work shall be completed in all respects and also at the rate of progress within the time limit and stipulations in the Form No. 83 Notice inviting tender, failing which the bidder is liable to be fined as stipulated in special condition No. 49.
38. Defects, if any noticed as per PWD Manual will be got rectified by the bidder, in default of which this will be attended by the department and the cost made good from the bidder.
39. The bidder should produce latest sales tax and agricultural income-tax clearance certificate and also income tax clearance certificate for receiving final payment.
40. The bidder shall be responsible for the payment of sales tax as per rules in fore from time to time and the rates quoted for various items remain unaffected by any changes that may be made from time to time in the rate at which such tax is levied. Sales tax agricultural income tax and income tax due to Government from the bidder will be recovered from his bill for the work as per the advise of the authorities concerned.
41. All sums due to the Government under or by virtue of this contract shall be recoverable first from the security furnished by the bidder and if the same is found insufficient, such deficit amount shall be recoverable under the provisions of the Revenue Recovery Act for the

time being in force as though the same were arrears of Land Revenue or in any other manner as the Government may deem fit.

42. The bidder agrees that before final payment shall be made on the contract, he will sign and deliver to the Executive Engineer either in the measurement book or otherwise as demanded, a valid release and discharge from any and all claims and demands whatsoever for all matters arising out or connected with the contract Provided that nothing in this clause shall discharge or release the contractor from his liabilities under the contract. It is further expressly agreed that the Executive Engineer in supplying the final measurement certificate need not be bound by the proceeding measurement and payments. The final measurements, if any, of the Executive Engineer shall be final conclusive and binding on the bidder.

43. The tender notice and Form No. 83 notice inviting tender shall form part of the Agreement.

44. The date fixed by the Superintending Engineer for the commencement and completion of works as entered in this agreement shall be strictly observed by the bidder who shall pay damages at the rates of (1) one percent on the estimated value of the contract for every day not exceeding five days that work remains uncommenced or unfinished, after the proper date and further to ensure good progress during the execution of works the bidder shall be bound unless the contract provides otherwise in all cases in which the time allowed for a work exceed one month to complete. One fourth of the whole work to be done when one fourth of the whole time allowed for it has elapsed, one half of the work when one half of time has elapsed, and three fourths of work when three fourth of time has elapsed and the penalty for the failure in either of these cases shall like wise be that the bidder shall be subject to pay daily damages at the rate of (1) one percent on the estimated value of the amount of work that should be completed by that time provided always that entire amount of damages to be paid under provisions of this clause shall not exceed in the whole amount of retention plus the security deposit. All damages payable under the provisions of this clause or clause 12 of the conditions of contract shall be considered as liquidated damages to be applied to the use of this Government without reference to the actual loss sustained owing to the delay.

45. If during execution, the proportion of usage of materials issued departmentally alone is varied for which the price has been fixed in the tender, the quoted rate of the item will be allowed effecting short or excess of departmental materials actually used as well as labour charges or handing the short or excess is any provided is in the same position.

46. The earnest money deposit of the unsuccessful bidders will be refunded immediately after tabulating the tenders keeping only the earnest money of the first two lowest bidders via electronic media, the earnest money of the remaining two unsuccessful bidders will be refunded within a week from the date of acceptance of tenders via electronic media.

47. The bidder should engage at his own cost a diploma holder (Civil Engineering) with sufficient practical experience for the proper execution and supervision of works costing from Rs \_\_\_\_\_ lakhs to lakhs and one Engineering Graduate and one diploma holder (Civil Engineering) for works costing up to Rs. \_\_\_\_\_ lakhs and one Engineering Graduate and two diploma holders for P.Q. works according to the tenure of contract paying Rs. \_\_\_\_\_ p.m and Rs. \_\_\_\_\_ p.m. to Engineering Graduate and diploma holder respectively.

## **Specifications**

### **PART I – GENERAL**

The rates tendered by a Bidder for the work shall include the cost of :

- a) All labour and supervision thereof, all materials, tools, implements and plant of every description, ladders, cordage tackle, etc. as well as the provision of safe and substantial scaffolding required for the proper execution of the work in conformity with the various items of work;
- b) Supplying the requisite agency with necessary equipments, to set out the work as well as to afford facilities for such examination of the work as the Departmental Officers may at any time consider desirable, as also to count, weigh and assist in the measurement or check measurement of the work or materials;
- c) Providing and maintaining all temporary fences, shelters, lights , watchmen and danger signals and such other precautions as are necessary for the protection of the work or materials, as well as to protect the public and those connected with the work from accidents at the site of, or on account of the work;
- d) All sheds, mortar mills and mixing platform of every kind required for the proper execution of the work according to the specifications;
- e) All fees and royalties of materials and
- f) Finally clearing away of all rubbish, surplus materials, plant etc. on completion of the work and dressing and leveling of and restoring the site to a tidy condition, prior to handing over the work to the Division Officer or his authorized assistant and also its maintenance until so taken over.

2 In the case of supplies of materials such as rubble, broken stones, gravel, sand etc. which may have to be measured prior to being used on the work, the Bidder must always stack or arrange them neatly on level ground or on ground cleared and leveled by him for the purpose in such manner as may be ordered by the Officer-in-charge so that they may be easily susceptible of inspection and measurement, the cost of such clearing, leveling and stacking or arranging being included in the rates for work. Each stack must be straight and of uniform section throughout and of the dimensions specified by the Officer-in-charge. Materials not stacked or arranged in accordance with instructions issued will not be measured and paid for.

3 The Bidder shall be bound to bear the expense of defense of any action or law proceedings that may be brought by person for any injury sustained owing to neglect of above precautions in connection with the execution of the work, and to pay any damages and cost which may be awarded in consequence.

4. The Bidder shall also help himself out of any difficulties of penalties arising from interference with private property in the execution of the contract.
5. The Bidder should state whether he has all the plant necessary for execution of the work. If the opinion of the Division Officer, Bidder's own plant is neither sufficient nor suitable for the proper execution of the work, the department may supply other available plant and recover reasonable hire for the same. The Division Officer's decision in the matter shall be final and binding on the Bidder.
6. The Bidder shall bear the running expenses inclusive of pay of the departmental staff attached to such plant and cost of repairs of all Government plant while in his possession on hire as also the cost of restoring the same in good condition at the time of return, due allowance being made for fair wear and tear.
7. All materials and plant that are to be made over to the Bidder by the Department shall be handed over to him at the society and the charges for their handling, loading and unloading and conveyance to and from for the respective work as also for stacking the materials neatly and in regular heaps on the ground or sheds to which they are brought shall be deemed to be included in the rates for the work.
8. Unless otherwise specifically provide for in the contract, the Bidder shall at his own cost keep all portions of the work free from water whether due to springs, or inclement weather and neat and sanitary condition and shall also see that drainage and sewage are prevented from entering the site of work or accumulating therein.
9. The Bidder shall be responsible for the proper use and bear the cost of protection of materials made over to him by the Department for use on the work and bear any loss from deterioration of from faulty workmanship or any other cause. The cost of materials thus allowed to deteriorate amounting as it does to and excess issue over sanctioned quantities, will be recovered at rates 20 percent over the actual cost. The orders of the Division Officer in the matter shall be final binding on Bidder.
10. The Bidder shall be responsible to see that the level or the other pegs, profiles, bench, marks masonry pillars or other marks set up by the Department for guidance in the execution of the work are not disturbed, removed or destroyed, the will be replaced by the Department at the cost of Bidder.
11. Any materials brought to the site of work, or any work done by the Bidder but rejected by the Officer-in-charge as being not up to the specifications shall in the case of materials supplied be then and there removed from or broken up at the site of work, and in the case of work done, the dismantled or rectified at the expense of the Bidder, as may be ordered by the Officer-in-charge.
12. In all cases whether so specified in the contract or not , the work shall be executed in strict accordance with the Bidder's accepted tender and these specifications and with such further drawings and specifications and orders as may from time to time be issued by the Division Officer.
13. Whenever the Bidder is ordered by the Division officer or his authorized assistant or subordinate to execute any item of work which is not in the tender, it shall be the Bidder's duty to get a special price arranged for any item and to see that it is written in the work spot order book (which shall be provided by the division officer and kept in the work spot by the subordinate-in-charge) and that this order is

initiated and dated by the Bidder and entered in the work spot order book and initialed both by the Bidder and the departmental officer ordering such extra item that Bidder shall have not claim for extra payment.

14 Arbitration shall not be a means of settlement of any disputes or claims arising out of the contract relating to the work.

CIRCULAR

Sub: Implementation of guidelines in the PWD Quality Control Manual and PWD Laboratory Manual

Ref: 1. G.O(Rt) No.1339/2015/PWD dated 10.9.2015  
2. G.O(Rt) No.1346/2015/PWD dated 11.9.2015

Government vide orders cited have approved the Quality Control(QC) Manual and Laboratory Manual for Public works Department. The Quality Control Manual is intended to evolve a uniform procedure for monitoring the three tier quality control process envisaged in clause 2401 of the Revised PWD Manual 2012. The Laboratory Manual gives guidance to the Engineers and technical staff in the QC laboratories and the field Engineers on the procedure to carry out QC tests.

The Chief Engineers' Committee in the meeting held on 30.9.2015 discussed in detail the mode of implementation of the Quality Control Manual and the Laboratory Manual. The Committee took the view that since the documents are instrumental in ensuring quality of public works, it should be implemented forthwith without waiting for the hard copies. The Committee decided to officially publish soft copies of the approved QC Manual and Laboratory Manual in the PWD web portal to enable the field officers and Contractors to acquaint with the contents. The Committee further decided to issue guidelines for implementation so that there is uniformity in the QC process being followed in the department.

Based on the decisions of the Chief Engineer's Committee, the following directions are issued for strict compliance.

1. All field officers and staff engaged in execution, quality control and processing of bills shall familiarize themselves with the relevant provisions of the said documents.
2. The provisions of the Quality Control Manual regarding first tier QC are applicable to all works costing above Rs.15 lakhs, tenders of which are to be invited from 15.10.2015. However for second tier QC tests, there is no such monetary limit.
3. Though the second tier quality control is intended to be done on a random basis, QC wing shall inspect maximum number of works including original, maintenance and repair works and conduct QC tests as per recommended frequency in the QC Manual.
4. For projects costing above Rs.15 lakhs, 1% of the project cost shall be included in the detailed estimate for meeting the expenses related to second tier quality control.
5. Sampling, testing and recording test results shall be done as detailed in the QC Manual and the QC Laboratory Manual.
6. The QC test results in the first and second tier tests shall be forwarded to the Assistant Executive Engineer and Executive Engineer in charge of execution through e mail. The hard copy shall also be forwarded simultaneously

7. Executive Engineers shall evaluate the test results, issue instructions for rectification and certify the rectifications so done, as detailed in the QC Manual. Payment for works where rectification is necessitated shall be made only after the above certification.
8. Responsibilities related to quality control are vested with the Contractor and officers in charge of projects and QC laboratory including Overseer, Assistant Engineer, Assistant Executive Engineer and Executive Engineer. Clause 10 details the responsibilities of field officers and clause 11 that of officers of the QC wing. The responsibilities shall be fulfilled by each officer. Officers evading the responsibilities listed shall face disciplinary action.
9. Intimation to the QC wing shall be made by the Agreement Authority and the Assistant Engineer in charge of the project as detailed under clause 8. Disciplinary action will be initiated against officers who do not report the details in time.
10. Quality Control Register maintained in Section office shall be verified by the Assistant Executive Engineer frequently to ensure compliance of the QC process.
11. QC Manual requires that non compliance of instructions regarding quality control shall be recorded in Work spot order book by the Overseer and Assistant Engineer. The inspecting officers are also required to record their observations regarding quality control in Work spot order book. As per clause 2105 of Revised PWD Manual, Work spot order book has to be maintained for all works exceeding T.S. powers of Assistant Executive Engineer in the form prescribed in Appendix 2100B. Hence maintenance of Work spot order book shall be compulsory at the said project sites from 15.10.2015.
12. The checklists under Appendix III, IV, V and VI shall be prepared by the Overseer supervising the work during execution of the relevant item and submitted to the Assistant Engineer within one week from the date of execution. The same shall be submitted to the Executive Engineer forthwith after scrutiny by the Assistant Engineer and Assistant Executive Engineer. Checklists under Appendix I and II shall be forwarded along with the bills. No bills shall be passed without thorough evaluation of the checklists by the Executive Engineer.
13. The Chief Engineer, Buildings shall initiate action to develop a module for Quality Control in PRICE software. All test results in first and second tier shall then be uploaded in the module. Photographs of sampling/testing as required in the QC Manual shall also be uploaded in the module. The entire quality monitoring process shall be through PRICE software once the module is developed.
14. Till the module is developed, the photographs of sampling/testing in the field laboratory related to the first tier shall be forwarded by the Assistant Engineer to the Assistant Executive Engineer and Executive Engineer by e-mail on the next day of sampling/testing. For second tier tests, this shall be done by Assistant Engineer of QC laboratory, who shall forward the photograph of sampling on the next day to the Executive Engineer, QC.
15. Chief Engineer, Buildings, as Convener of the Technical Committee will initiate action to prepare the list of officers to be empanelled for the third tier Quality Control i.e., the Technical Audit envisaged under clause 2406 of the Revised PWD Manual, in consultation with the Chief Engineer, Designs. The panel shall consist of experts in the field of engineering relevant to the project to be audited. The list so prepared shall be submitted to the Chief Engineer's Committee for evaluation and recommendation to Government for approval.
16. Technical Audit shall be compulsory for all projects costing above Rs.5 crores which are tendered from 15.10.2015.

The introduction of QC Manual and its implementation necessitates providing additional information to the intending bidders. Hence all tendering officers are directed to include the following additional conditions in the Notice Inviting Tender (NIT) to enable the bidders to submit their offer considering their additional responsibilities and also the expenses involved for QC tests.

1. Quality Control for the various items in this project shall be governed by the provisions of PWD Quality Control (QC) Manual approved vide G.O(Rt) No. 1339/2015/PWD dated 10.9.2015 and the PWD Laboratory Manual approved vide G.O(Rt) No.1346/2015/PWD dated 11.9.2015 and published in the PWD web portal.
2. The intending bidders are expected to familiarize with the contents of the QC Manual so published before participating in the bid.
3. Technical Audit as envisaged in clause 2406 shall be carried out for the project. The agency entrusted shall extend full cooperation for carrying out the Technical Audit.
4. The bidder whose tender is finally approved is bound to post technical personnel who are well versed with the quality control tests and other guidelines stipulated in the QC Manual.
5. For projects costing more than Rs.200 lakhs, the entrusted agency shall establish site laboratories with required facilities.
6. Primary responsibility for ensuring quality control in each item of work in the project shall be vested with the agency entrusted with the project
7. The entrusted agency shall conduct first tier quality control tests for all items of work at the site laboratory /approved laboratory as per procedure stipulated in the Manuals at his own expense.
8. The agency shall rectify all defects identified during the first and second tier QC tests and during the Technical Audit (third tier)
9. Wherever specified, the entrusted agency shall also obtain Manufacturer's Test Certificate from the manufacturer/dealer and submit the same before executing the items listed in such certificates.
10. The rates quoted by the bidders shall include all expenses for carrying out the first tier quality control tests. Expenses for third party tests detailed in clause 7.4 of the Introduction in the QC Manual, if required, shall also be borne by the agency entrusted with the project.

The following items shall be appended to the agreement conditions while executing agreement for a project tendered on or after 15.10.2015.

1. Quality Control for the various items in the project shall be governed by the provisions of PWD Quality Control(QC) Manual approved vide G.O(Rt) No. 1339/2015/PWD dated 10.9.2015 and the PWD Laboratory Manual approved vide G.O(Rt) No.1346/2015/PWD dated 11.9.2015 and published in the PWD web portal.
2. The contractor shall post technical personnel who are well versed with the guidelines for quality control tests stipulated in the QC Manual.
3. The contractor should establish site laboratories with facility for testing as per guidelines in the QC Manual.(for projects exceeding Rs.200 lakhs)
4. Primary responsibility for ensuring quality control in each item of work in the project shall be vested with the contractor

## NOTICE

5. The contractor cannot evade from the responsibility of ensuring quality in the items of work done on the plea that he does not possess sufficient technical knowledge or that the works done are supervised by the departmental officers.
6. The contractor shall comply with the instructions regarding quality related matters issued by the departmental officers in charge of the project.
7. Non-compliance of instructions issued at site or non compliance to specification requirements affecting the desired level of quality will result in termination of the contract under risk and cost and penal action as stipulated in the Rules of Registration of Contractors.
8. Contractor shall conduct first tier quality control tests for all items of work at the site laboratory / approved laboratory at his own expense. Contractor shall sign the test reports so obtained before submitting to the Assistant Engineer.
9. Contractor shall obtain and submit Manufacturer's Test Certificate before executing items listed in such certificates. He shall record the certificate detailed in the QC Manual below the Manufacturers test certificate and affix his signature with date and name seal.
10. Contractor shall be responsible for the genuineness of the Manufacturer's Test Certificate obtained and submitted by him.
11. Contractor shall extend cooperation to the officers of Quality Control wing for taking samples, curing and keeping them in safe custody whenever required. He shall issue acknowledgement for the samples so kept under his safe custody.
12. Contractor shall also extend cooperation to the department in carrying out the Technical Audit(third tier) for projects, cost of which exceeds Rs.5 crores.
13. The Contractor is bound to carry out rectification works at his own cost, if results obtained during quality control tests either in the first-tier or second-tier do not comply with the standards. He shall also carry out rectification works, if any pointed out during technical audit done after completion of work.
14. The decision of the Executive Engineer regarding compliance of test results and rectification works to be done shall be final and binding on the contractor.
15. Payment for works which are to be redone or rectified will be made only after the Executive Engineer after inspection certifies in writing that the rectifications have been done satisfactorily and the results of the tests conducted after the rectification comply with the specified values.
16. Third party testing shall be done in an independent approved laboratory, if there is dispute due to difference in the test results of first-tier and second-tier testing or if any manipulated results are suspected. In case, certain specific tests cannot be carried out with the facilities available in the Contractor's site laboratory or the Department laboratories, third party testing shall be resorted to.
17. Executive Engineer in charge of the work shall decide whether third party testing is required to settle a dispute. This decision will be final and binding on the Contractor.
18. Third party tests, if approved by the Executive Engineer shall be arranged by the Contractor in an approved laboratory as directed by the Executive Engineer. It is desirable that the test shall be done in the presence of the Assistant Engineer/Assistant Executive Engineer and the Contractor to eliminate any further disputes. The expenses shall be met by the Contractor. The result obtained in the test shall be final and binding on both the Contractor and the Department.
